The students are taught do's & don't's in medical education. The programme also provides the platform for MBBS students to get acquainted to the needs of medical education. Foreign students and students from outside the state of Karnataka are

given regional language classes to make them learn kannada which is essential for communication with patients and public.

**Mentorship programme:**

The college has a mentorship programme for student support and monitoring in their academic and social performances. The mentors and mentee meet periodically and discuss the problems both academic & social. Apart from classroom interaction, students who require extra academic support are identified and tutorial classes are provided to enhance their learning abilities so as to cope of with the academic requirements and expected outcomes.

The student's progress report is periodically sent to the parents for information.

**Campus facilities:**

Bank, Co-operative Society, Post-Office, Gymnasium, Play ground, Indoor & Outdoor sports, Transport, Pharmacy, Food court and Telephone facilities are available inside the campus.

**Sports:**

The institution has facilities for indoor and outdoor sports activities like cricket, volleyball, football, basketball, badminton, shuttle badminton, chess & table tennis. There is fully equipped Gymnasium. The college conducts inter-collegiate sports activities and also participates in the District, State and National level competitions.

**Hostel Facilities:**

The college campus has adequate hostel facilities for both boys and girls.

**Important Note:**

“Ragging is prohibited as per the decision of the Supreme Court of India in writ petition No.(c) 656/1998. If an incidence of ragging comes to the notice of the authority, the accused student will be given an opportunity to explain and if the explanation is not satisfactory the authority will initiate suitable action against the accused student”.

Also sexual harassment is strictly prohibited as per UGC guidelines & is punishable under various provisions of IPC.

**RULES & REGULATIONS**

JSS Medical College is a professional college where a student is trained to become a good doctor with a thorough knowledge to treat the patients. We wish to develop expertise not only in medicine but also in general

build up of their personality with respect to confidence, selfless service, social responsibility and professional etiquette.

## INTRODUCTION: NAAC & IQAC

**National Assessment and Accreditation Council (NAAC)** in pursuance of its Action Plan for performance evaluation, assessment and accreditation and quality up-gradation of institutions, suggests creation of IQAC.

Internal Quality Assurance Cell (**IQAC**) is a post-accreditation **quality sustenance measure**.

Since quality enhancement is a continuous process, the IQAC will become a **part of the institution's system** and work towards realisation of the goals of quality enhancement and sustenance.

The prime task of the IQAC is to **develop a system** for conscious, consistent and catalytic improvement in the overall performance of our institution.

It will channelize all efforts and measures of the institution towards promoting its **holistic academic excellence**.

The work of the IQAC is the first step towards **internalization and institutionalization** of quality enhancement initiatives.

Its success depends upon the **sense of belongingness** and participation it can inculcate in all the constituents of the institution.

It will **not** be yet another hierarchical structure or a record-keeping exercise in the institution.

It will be a **facilitative and participative voluntary** system/unit/organ of the institution.

### **Objectives:**

- To develop a system for conscious, consistent and catalytic action to improve the **academic and administrative performance** of the institution.
- To promote measures for institutional functioning towards **quality enhancement** through internalization of quality culture and institutionalization of best practices.

## JSSU ONLINE PORTAL FOR STAFF, STUDENTS AND PARENTS

**JSSU Online** Framework is envisaged to continuously evolve under a strategic operating model fulfilling many aspects of our University requirements in its quest to achieve excellence. It is expected that this portal enables the streamlining both academic and administrative processes of the University.

The JSSU online portal has a login for staff, students and parents.

The portal can be accessed at [www.jssuonline.com](http://www.jssuonline.com). Please select the login type and enter your username and password. The username and password will be sent to you on your mail ID. Kindly contact the IT department for any queries.

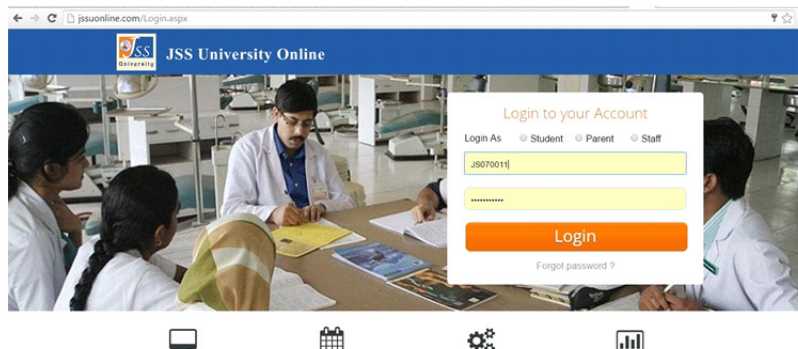

### For students:

- Students would be able to view their attendance, internal Assessment marks and important communications from the college and University.
- It will also serve as a one site portal for all your educational needs as online teaching learning resources will be provided.
- The portal also will be utilized for online student formative assessment.
- The students and parents will be paired to the respective mentor who will monitor the progress of your ward at JSS University.

### For Parents:

- Can access the attendance, internal assessment and progress of their ward regularly.
  - Can communicate with mentors to work towards progress of their children.
- With this we hope to bring a tremendous change in the student experience at the University and look for the way forward with your support in this direction.

Wish you a happy browsing experience through JSSUONLINE

## **STUDENT RESEARCH AND EXTENSION ACTIVITIES**

The JSS University encourages and promotes research activities by students extensively. Various opportunities extended by medical college as below.

- 1. The Indian Council of Medical Research(ICMR) initiated the Short Term Studentship(STS) Program** in order to promote interest and aptitude for research among medical undergraduates. The main objective of this program is to provide an opportunity to undergraduate medical students to familiarize themselves with research methodology and techniques by being associated for a short duration with their seniors on ongoing research program or by undertaking independent projects. This may serve as an incentive for them to take up research as a career in the future. The Guide/ Institution must provide the student with all facilities (kits, reagents & other requirements) for carrying out research. The value of the studentship will be Rs. 5,000/- per month for 2 months' duration (Rs. 10,000/- only) and is meant to be a stipend for the student. This is paid only after completion of research and approval of final report. Costs of research must be borne by Institution/ Medical College where research is conducted. A certificate will be issued and posted to the Principal's office after 6-8 months of completion of research.

**(Note: The projects not sanctioned by ICMR can be applied to JSS University for financial assistance and further consideration.)**

### **2. JSS University grants**

## MEDICAL EDUCATION UNIT

Medical Education Unit of JSS Medical College works under the aegis of Centre for Continuous Learning for Professional Excellence (CCLPE) of JSS University. Regularly programmes are organised to train, upgrade and facilitate student and faculty learning. Research in education technologies has been routinely conducted by the unit to adapt with the current needs of medical education. The MEU has successfully developed and implemented a horizontal integrated curriculum for the 1<sup>st</sup> year of MBBS course. It has been well received by both the staff and students. As a Medical curriculum is undergoing reforms towards competency based education, MEU has been working towards integration of basic and clinical sciences, professional development, problem-based and self-directed learning. Mentorship programme and feedback system endorses the beneficial learning at institution. The emphasis is imparted on information technology to enhance learning and community-based initiatives.

The following are the activities organised under medical education unit.

## CALENDAR OF EVENTS FOR CONDUCT OF NSS ACTIVITIES

The National Service Scheme (NSS) is an Indian government-sponsored public service program conducted by the Department of Youth Affairs and Sports of the Government of India. Popularly known as NSS, the scheme was launched in Gandhiji's Centenary year, 1969. Aimed at developing student's personality through community service, NSS is a voluntary association of young people in Colleges, Universities and at +2 level working for a campus-community linkage. The cardinal principle of the NSS programme is that it is organised by the students themselves, and both students and teachers through their combined participation in community service, get a sense of involvement in the tasks of nation building. The NSS unit of JSS Medical College plans to organize the regular and special activities of NSS unit of JSS Medical College as scheduled below.
