

## **“Sammilana”**

JSS Dental College & Hospital Students Alumni association “SAMMILANA” was formed on 18th August 2001.

### **Aims and Objective of the Association:**

To cater up to date scientific knowledge to all the members of the Association based on the current developments, research and innovations in the field of dentistry. A free library facility (library of J.S.S Dental College and Hospital, Mysuru) shall be provided for all the members for the above purpose and shall take prior permission from the president for the same.

To conduct CDE and Hands-on program for the enrichment of knowledge of the members.

To bring together all the BDS/MDS passed past and present students and teaching staff of J.S.S. Dental College and Hospital, Mysuru, to preserve, protect and promote the interest of all the members keeping in view, the changing concepts and practices of Dental profession and duties to uphold the dignity of the profession.

To render treatment for economically backward, orphans and special children.

To conduct free dental check up camps, oral cancer detection camps, dental awareness program for public.

To provide a venue for get together, recreation and social interaction of the members of the association and to foster the feeling of unity.
