

JSS University
JSS MEDICAL COLLEGE, MYSURU

Student Research Cell

Preamble

There is Increasing thrust on undergraduate research across the institutions due to availability of funding opportunities, platforms to showcase research findings in various national and international scientific events and additional benefit the student gathers for overseas qualifying exams. There are Successful models of undergraduate research in different institutions (AFMC, Manipal), where the research is nurtured are supported. The students of JSS Medical College perceived the need for a steering group to support and supervise their research activities, in this background we are sending a proposal to establish JSS MC student research cell.

Main Objectives:

1. To inculcate and promote research culture among undergraduate medical students.
2. To orient students on basics of research methodology and biostatistics
3. To guide students in writing research protocols for different funding agencies
4. To monitor the progress of students research in the institution
5. To convert students research into scientific publications

Activities of Student Research Cell

1. Conducting research methodology workshop for students
2. Guiding students in ethical considerations for research
3. Help students to identify suitable topics and mentors for undertaking research
4. Review research protocols prepared by students for applying to funding agencies
5. To guide students in completing the project in stipulated time
6. To review the final project report to be submitted to funding agencies
7. To conduct workshops on converting research to publication
8. Helping students to write publications and replying to reviewer's comments
9. Guiding students to present their work in national and international conferences
10. Orienting the students on application of biostatistics in medical research.
11. To take up reference search and reference work classes
12. To facilitate financial assistance grants from JSS University for various short term student projects
13. To introduce an academic fest on regular basis

Constitution of Committee:

The proposed Literary Committee comprise of 10 members.

Sl. No	Position	No's	Remarks
1	Chairman	01	Principal/Head of the institution
2	Vice Chairman	01	Vice Principal/ Director Research JSSMC
3	Member Secretary	01	Any faculty member who is actively involved research
4	<u>Members:</u> Faculty Students	08 04	Including statistician 2 Male & 3 Female
5	Administrative Co-ordinator	01	AO / AAO,

Duties & Responsibilities of Literary Committee:

- Member Secretary should conduct Bi-annual meeting also record the minutes of the meeting. Member Secretary should submit the action taken report about the points discussed in the meeting to the chairman before one month of next scheduled meeting.
