2015-16

The year 2015 -16 has been a great year in JSSMC with lots of cultural activities and cultural achievements.

The first event of the academic year 2015 was the TEACHER'S DAY and the FRESHER'S DAY which was celebrated on 15th of September 2015.

TEACHER'S DAY

The TEACHER'S DAY was celebrated by giving tribute to the great Dr.Radhakrishnan followed by the speech of our principal and registrar.

It was followed by distribution of presents to the teachers from the students as a token of gratitude.

After the formal function of teacher's day celebration it was followed by the fresher's day.

FRESHER'S DAY

It is a cultural event organised for the 1st year MBBS students to welcome them to our college JSSMC. This cultural event was a memorable one as the 1st year students were enthusiastic enough and participated in large number to display their talents like dancing , singing , skits,

playing musical instruments and the fashion show.

The above pic is the fashion show given by the 1st year students with the theme of culture in India. They portrayed the culture of different states in India giving us a patriotic feeling .

HUBLI AND DAVENGERE FEST

Our college fashion show team participated in both these fest and secured 2nd place

2016-2017

TATVAM '16

The fine arts section of Tatvam 16 was refurbished with few events clubbed together and make it a bigger merriment.

The fine arts champion was one of our very own-

Salvya A Raj, a 5th termers who managed to bag the first place in 4 of the 12 events

The short film competition was taken to another level, with introduction of VFX shots, in the winning movie, 'Something After Death' by Raghul Raj (7th term)

Photography segments had 2 categories to encourage budding photographers namely the DSLR and the camera phone category.

Themes for the same revolved around relevant topics such as environment and its degradation etc.

Students of Clinical Msc also performed exceptionally well in fine arts category with Ankitha of medical biochemistry course coming in a close second to Salvya A Raj

External judges were also part of the jury for the Cookery competition & photography.

The cultural segment of Tatvam, as always, had a great run this year.

Sudheesh of ESIC, Bangalore had a great run at solo dance classical event, performing the state dance of Andhra Pradesh, Kuchipudi.

The auditorium was a sight to behold as students and spectators packed the space to watch the duet Dance performances, with winning performances coming from our very own college.

Group dance events moved to the main stage, all of them having a somewhat common theme of religious fervor.

Again, the para clinical streams were well represented by Ankitha and group who bagged the 3rd position amongst 11 teams.

The fashion show, 'Panache' had the home team showcase attire and personalities of the Victorian era which stood out as the performance for the night.

Skit-theatre play was also won by the home team,Hidden Voices after the wonderfully portrayed 'A Woman's Life'

The cultural champion was Thejas(7th termer) being adjudged the winner for over 3 events.

Armed Forces Medical College,Pune
22-26 February,2017

Sixteen students of The JSS Medical College,Mysuru attended the annual cultural fest, organised by AFMC,Pune,representing the Dramatics club of our college,HIDDEN VOICES.

The team, led by Dr.Kushal Ravikumar staged a play on a sensitive, relevant theme: Transgenders.

With 8 other teams from all over the country also in running for the pole position, the competition was indeed a tough one.

The team managed to get special recognition for the props used and efficient skill of language displayed.

Amongst the individual events,Shreyas Hadimane(IX term) participated in the Just-A-Minute competition and Visakh K Mohan,Varsha Konyala (VI term) participated in the India Quiz.

The fest was a gratifying experience for all participants in terms of exposure to national level of competition and motivation to strive for more.

INCIDENT-2017

NIT-K's cultural fest was held from 2-5 March,2017.

The fashion show team of JSSMC,Agnividha represented our college led by intern,Dr.Shubhra Singh.

Amongst the 17 teams that participated, our team was lauded for the co-ordination and stage presence.

The judges were former Miss India and Miss India International. The jury were impressed by the efforts put in especially by a medical college.

EK BHARAT SHRESHTA BHARAT **CULTURAL STUDENT EXCHANGE PROGRAMME**

The "Ek Bharat Shreshta Bharat" campaign was introduced by Shri Narendra D. Modi, Hon. Prime Minister of India on 31st October 2015, paying tribute to Sardar Vallabhai Patel in his Rashtriya Ekta Diwas speech. The campaign, an initiative of Govt of India and directed by UGC, aims at uniting the diverse cultures of the nation to transform India into one super nation. This innovative initiative will lead to an enhanced knowledge of the culture, traditions and practices of different states

and union territories, and will contribute to strengthening the unity and integrity of India.

Under the guidelines of UGC, Mahatma Gandhi Medical College, Puducherry and JSS Medical College, Mysuru conducted the student cultural exchange programme in the month of March and April. After contact establishment, exchange of emails and detailed discussions, the dates were finalised and the exchange was held in two legs. 30th March-1st April and 6th-9th April, 2017.

In the first leg, 10 students of JSS Medical College along with 01 faculty member visited Puducherry on 30th, 31st March and 1st April, 2017. They were received with immense hospitality and welcomed with chocolates and roses embarking the journey to a new friendship. There was an immediate connect between the students of the two institutions. The campaign kicked off on the 1st day of the visit with a college and hospital tour wherein they visited the various departments- forensic museum, medical simulation centre which is equipped with mannequins and allows the students to practice medical skills such as suturing, intubation, episiotomy etc before going hands-on on patients, and the library. The students from JSSMC were allowed to be a part of the annual fest of MGMC, 'Spectra' where they delighted the crowd with cultural performances. On the 2nd day, the students visited the historical location of Alamparai Fort and beach. The place is currently in ruins as the history dates back to the 17th century when it was built by the Mughals and later given to the French. When the French were defeated by the British, the fort was destroyed. The beach surrounding the fort has its own mesmerising beauty, with a small island that stretches to some distance in the water. In the evening, a cultural programme was organised, wherein the students of JSS Medical College rendered a group dance performance depicting patriotism. On the 3rd day, as part of adventure activity, a 5 km cycling trip into the streets of Puducherry along the big beach was organised. With a short while spent at the beach, lots of pictures and priceless memories, the students returned to the campus. The afternoon of the same day, a valedictory function was held which was graced by the presence of the dignitaries of MGMCRI and the students were awarded certificates for being a part of the exchange programme. The PG students of MGMC and students from JSS gave performances and with this, the first leg came to an end and the students of JSSMC left for Mysuru the same night.

The 2nd leg of the campaign was organised by JSS Medical College Mysuru on 6th, 7th and 8th April, 2017. The students and staff from MGMCRI were welcomed on the morning of 6th April with small gifts, reciprocating the same love with which they had been received. On the first day i.e. 6th April, the students visited the campus of JSS Medical College, the anatomy museum, Animal simulation lab and the digital library. It was followed by a visit to the Hospital where the students had a small interactive session with the director and vice

principal; they visited the Blood Bank, Dept of transfusion medicine, followed by high tea. On the same evening, the students of JSSMC and MGMC came together for a cultural programme. The students of JSS Medical College portrayed the true culture of Karnataka with a myriad of performances which comprised of classical dance, classical singing, kolaata and veeragaase which are traditional dance forms of Karnataka. It was interspersed by entertaining performances given by the students of MGMCRI. On the 2nd day, the students visited the Mysuru Palace, an age old historical monument built by the Wodeyar dynasty. This was followed by a visit to SUTTUR, the village adopted by JSS Medical College & Hospital. The students visited the mutt, the free school where they interacted with students from all over the country, and a museum showcasing antiques. After a tiring day in the sun, the students retired for the day. On the third day, the adventure activities took off when the students climbed the steps of Chamundi Hill and reached the top which is around 3000 feet above sea level and gives a treat to the eyes with the city of Mysuru spread beneath. After an auspicious visit to the temple and Darshana of Sri Chamundershwari, the students headed for breakfast. The valedictory function was held in the afternoon which was addressed by The Principal, JSSMC, Director academics, JSS University and Director, JSS Hospital Mysuru. The Vice Principals also graced the occasion. The students of JSSMC and MGMCRI shared their experience and they were presented with certificates for participation in the campaign.

At the end of these 6 days, the students have accumulated a lifetime worth of memories, new relations and have understood the cultural diversity of the two states. However, there was no divide between the two groups throughout the campaign and indeed justice was done to the motive of the 'EK BHARAT SHRESHTA BHARAT' campaign.
