

Excellence

ENDO EXCELLENCE

ENDO

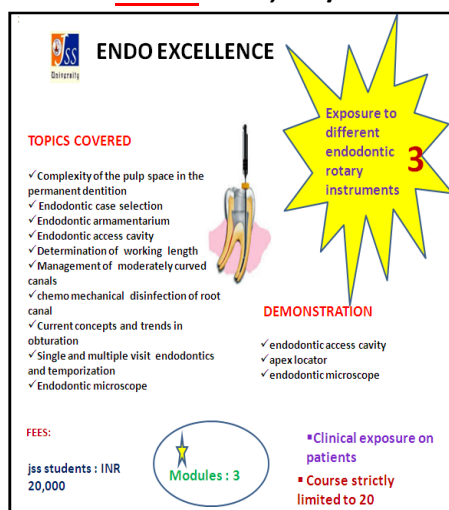

Certificate program in clinical endodontics
Department of Conservative Dentistry and Endodontics
JSS Dental College and Hospital, Mysuru
**NO ADDITIONAL TIME SPENT ON
LEARNING ENDODONTIC SKILLS**
Program is scheduled during the Course of Internship

ELIGIBILITY: INTERNS of JSS Dental College and Hospital

Fee: Rs 20,000/-

PROGRAM OBJECTIVES

- Recognize pulpal and periradicular conditions
- Deployment of contemporary intracanal disinfection techniques
- Identify when retreatment and/or surgical intervention is required

The poster for the ENDO EXCELLENCE program features the JSS University logo at the top left. The title 'ENDO EXCELLENCE' is prominently displayed. A central graphic shows a tooth with a root canal being treated by a rotary instrument. To the right, a yellow starburst contains the text 'Exposure to different endodontic rotary instruments' and the number '3'. Below the tooth, a 'DEMONSTRATION' section lists: 'endodontic access cavity', 'apex locator', and 'endodontic microscope'. On the left, a 'TOPICS COVERED' section lists: 'Complexity of the pulp space in the permanent dentition', 'Endodontic case selection', 'Endodontic armamentarium', 'Endodontic access cavity', 'Determination of working length', 'Management of moderately curved canals', 'chemo mechanical disinfection of root canal', 'Current concepts and trends in obturation', 'Single and multiple visit endodontics and temporization', and 'Endodontic microscope'. At the bottom left, 'FEES:' are listed as 'JSS students : INR 20,000'. In the center, a circular icon indicates 'Modules : 3'. At the bottom right, it states '*Clinical exposure on patients' and '* Course strictly limited to 20'.

ADVANTAGES

- Students will get exposed to different endo motors
- More confident approach to work on posterior teeth
- Wider horizons of treatment plan
- Students will be updated with newer materials and techniques

HIGHLIGHTS

Students will be benefited to listen and learn from **RENOWNED SPEAKERS**
EARLIER AND BETTER integration of theoretical knowledge and clinical application

SEQUENTIALLY PHASED OUT SYLLABUS –includes Theory, demonstration, workshop and Clinical sessions

Fee includes all the study material, instruments and materials.

Course coordinator---Dr.Ashwini T.S, Dr Sowmya H K
