

Poster and Oral Presentation Competitions

National Conference on "Applied Biotechnological and Biosciences Interventions in New Age Translational Therapeutics"

| | |
|----------------------------|---------------------------------------------------------------------------------|
| Organized by | JSS Academy of Higher Education & Research, Mysuru, Karnataka, India |
| In association with | International Applied Biologists Association (IABA) |
| Sponsored by | Department of Biotechnology (DBT) |
| Dates | 21st & 22nd February 2025 |

Poster and Oral Presentation Competitions

| Competition Type | Eligibility | Awards |
|----------------------------|--------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Poster Presentation | Undergraduate Students, Postgraduate Students, PhD Scholars | 1st Prize: Innovative and scientifically rigorous poster 2nd Prize: Research quality and presentation 3rd Prize: Scientific merit and impact |
| Oral Presentation | Postgraduate Students, PhD Scholars | 1st Prize: Exceptional research and clear delivery 2nd Prize: Excellence in delivery and research 3rd Prize: Best content, delivery, and impact |

IABA Association Awards

1. Maheshwarappa M Basalingappa Memorial Best Research paper Award

Maheshwarappa M Basalingappa Memorial Award is for the Best Research paper presented in Biological Sciences. Dr. Kanthesh M Basalingappa instituted this award.

2. Prof. Dr Pasupuleti Visweswara Rao Young Scientist Award

This award will be for the PhD Scholars or Young lecturers below 40 years in the areas of Biotechnology, Biomedical Sciences and Bio-Nanotechnology. This award was instituted by Professor Dr.Pasupuleti Visweswara Rao.

3. Subramaniam Rajalakshmi Young Innovator Award.

This award will be Bestowed to a research scholar who has done an innovative or applicative (or) product development research in the field of Microbiology/Biotechnology/ Biochemistry/ Environmental Biology/Immunology. This data can be from an ongoing or submitted thesis research or published research work. This must be presented before a panel Constituted by endowment author Dr KALIDASS, Associate Professor and Head Department of Animal Science Manonmaniam Sundaranar University. Copy of one page abstract to be emailed to kallidass@gmail.com.

4. Dr. Kanthesh M Basalingappa Best Outgoing PG Student in Biological Sciences

This award is given to the best outgoing PG student in Biological Sciences in the name of Dr.Kanthesh M Basalingappa. The host Institution which is Organizing the annual conference of the IABA will nominate its best outgoing student from passed out batch. The awardee will be presented with a Medal and Certificate.

The candidate should submit the abstract of the paper to the Secretary, Dr. Kanthesh BM, Associate Professor, SLS, JSS AHER, Mysuru email: kantheshmb@jssuni.edu.in. on or before Feb 15th 2025. The winner will be presented with the medal and certificate during valedictory function.

How to Participate

| Step | Details |
|-----------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Poster and Oral Submission | Submit abstracts and research details as per the submission guidelines on the official conference website. |
| Eligibility | Postgraduate Students and PhD Scholars for Oral Presentations. Undergraduate Students, Postgraduate Students, and PhD Scholars for Poster Presentations. |
| Award Categories | - 1st, 2nd, and 3rd prizes for both Poster and Oral Presentations . - Young Scientist Award for an outstanding early-career researcher. |

We encourage **Undergraduate Students, Postgraduate Students, and PhD Scholars** to participate in these sessions. This is an excellent opportunity to present your research and be recognized for your contributions to the evolving fields of biotechnology and therapeutics. For detailed submission guidelines and further inquiries, please visit the conference submission page or contact the organizing committee.
