Annual Report 2018-19

PATIENTS ARE OUR DEAREST
H H JAGADGURU
DR. SRI SHIVARATHRI RAJENDRA MAHASWAMIJI
FOUNDER PRESIDENT

His Holiness Jagadguru Dr. Sri Sri Shivarathri Rajendra Mahaswamiji, the 23rd Pontiff of Jagadguru Sri Veerasimhasana Mahasamsthana Math, popularly known as Sri Suttur Math, inherited the legacy of the 10 century old Srimath at an early age. He was born on 29-8-1916 and ascended the peetha on 28-2-1928 when he was hardly twelve. He shared the responsibilities with his senior, Jagadguru pattada Shivarathri Mahaswamigalu. He shouldered the responsibilities of the Srimath for more than half a century, taking each step towards service of humanity on every possible way.

Besides being the patron of arts, literature and music, he was a scholar in kannada and Sanskrit. He sacrificed his educational career to provide succor to the helpless poor. The Burning desire to assuage the educational needs of lakhs of rural children, he started the first free Hostel at Mysore in 1941. Thus began his journey of socio-economic transformation of the region with the establishment of Schools, Colleges and Sanskrit Pathashalas in and around Mysore. A single-minded dedication, aimed at the welfare of all, goaded him to tread the path of sacrifice. The Incredible divine grace coupled with intense and sustained focus resulted in materialization of his great dreams of establishing free schools and hostels, professional colleges, centers of art, music and literature etc. Jagadguru Dr. Sri Shivarathri Rajendra Mahaswamiji had a strong vision of starting educational institutions in rural areas considering the hardship of students coming to cities seeking education. In order to make this possible, he started the Jagadguru Sri Shivarathreeswara Mahavidyapeetha in 1954. Under the untiring efforts of Jagadguru Dr. Sri Shivarathri Rajendra Mahaswamiji, the Vidyapeetha has witnessed enormous growth in the field of education. Thousands of children, men and women found solace under his boundless compassion.

JSSAHER'S Social Responsibility Statement

'Touching the lives of Millions'

Proud moment

**His Holiness Swamiji-
Chancellor with Excellency
Late Dr. APJ Abdul Kalam
Former President of India**

JSS AHER'S Social Responsibility is an approach of ethical and intelligent management, which involves both its impact on its human, social and natural context, and its active role on the promotion of Sustainable Human Development of the country. Within this approach, "Sustainable Campus" is a strategy that strives to reduce the ecological footprint of the Institution via a rational use of resources and to educate the JSSAHER community on the ethics of sustainability.

JSSAHER with the legacy of more than 1000 years of its Founding organization Sri Suttur Math and the sponsoring society-JSS Mahavidyapeetha is acutely aware of its social responsibilities and is confident in stating that it already goes well beyond what is expected of an organization.

JSSAHER and its Social Responsibility

Although Corporate Social Responsibility (CSR) is a relatively new concept, JSSAHER has embraced CSR principles based on the contributions made for several decades, particularly at a local and regional level. An organization's internal and external practices can influence their employees, customers, partners and environment in a positive manner.

This document highlights our commitment to CSR locally, regionally, nationally and internationally. The JSSAHER's vision is nurture and develops the talents of students and to create applicable knowledge in order to support social and economic advancement.

Social Responsibility is part of the JSSAHER'S Strategic plan and is important to our Institution, Faculty and students and aims at making Organizational, Cognitive, social and educational impact.

JSSAHER is committed –

1. To promote ethical standards to be adopted by students, staff and other members of JSSAHER community.
2. To raise the educational aspirations of people in the community, as well as across the country and encourage their greater participation in higher education.
3. To encourage an inclusive environment without barriers to achievement, where students and staff are highly valued, based on mutual respect.
4. To provide a Higher Education Institute campus environment and range of facilities, both educational and recreational, which are attractive, accessible and stimulating.
5. To integrate with and support the needs of our community and our region.
6. To embrace environmental responsibility and sustainable development principles, to make a positive contribution to urban regeneration and to ensure that any adverse environmental impact of our activities is minimized.

Touching the lives....

To the students

1. As a most respected Higher Education Institute in the health sciences attract students from a range of backgrounds nationally and internationally.
2. Listening and responding to the student voice, with a shared understanding of our mutual responsibilities.
3. Providing a range of student support that covers all issues including support too low income group students.
4. Student preparation towards a responsible citizenship for a Sustainable Development.

To the staff

1. Adopt best practices in its Human Resources Management policies and Practices.
2. Assist staff to develop their full potential as members of the JSSAHER's workforce and provide opportunities for professional development.
3. Observe the fundamental tenets of human rights, safety and non-discrimination.
4. Provide fair compensation and implement minimum wages policy.
5. Involve employees in the decision making processes, where appropriate.
6. Providing opportunities for staff to undertake projects with local communities.

To our environment

1. Ensure that the developments in JSSAHER are sustainable and do not have a negative impact on the environment.
2. Promote the concepts of the 3Rs of Reduction, Reuse and Recycling and eliminate, where possible, the use of non- degradable materials.
3. Aim for a continuous reduction of the carbon footprint of the Institution.
4. Provide equipment, training and other resources to ensure a healthy and safe environment for the students and staff.
5. Continuously work and evolve environmental improvements in the way we manage our transport, waste and energy.

To our City and our community

1. To work with the City of Mysore and regional partners to raise the health profile of the City and the Mysore and neighboring districts ; and in partnership help secure the economic, health, social and cultural regeneration of the City and region.
2. Enriching the Institution and City socially, culturally and economically, with our diverse and vibrant student population.
3. Make significant and major contributions through our Faculty to the Social Responsibility agenda including:
 - the training of the future health professional workforce
 - the ongoing support for health professionals
 - support JSS Hospital to provide access to quality healthcare at affordable costs
 - Nurture and contribute to research that impacts healthcare and health policies and makes significant contribution to national and global health.
4. Working with young people in local schools:
 - to discuss health and science and its relevance to their everyday lives
 - to inspire them to consider careers in science and health and apply to Institution in the future
 - to devise creative and fun activities to help engage them
5. By involving the public/patients in our work to improve the quality of our teaching and healthcare delivery.

Mrs. Anushree, Assistant Administrative Officer and Mr. Veerabadradaswamy, Assistant Administrative Officer, we're also present at the inauguration. They wished all the NSS volunteers a successful and prosperous camp. Dr. Ravi M.B., NSS programmer officer, welcomed the guests and highlighted the proposed programs of the camp. Tree samplings were planted by all the guests who attended the inauguration on the JSS Guest House Campus. The programme was concluded with tea at 5:00pm. A meeting was held at 10:00pm regarding the daily activity of the camp and also proposed activities for the next day.

Day 2 – 31.01.19- Thursday

The Camp activities commenced at 6:00 am. The volunteers were asked to take daily activities after 6:45. The daily routine started with flag hoisting, followed by the NSS songs and exercise. The breakfast was served at 8:30 am. The day was scheduled for meeting and interacting with the native tribes of BR Hills, the Soliga tribes. The volunteers interacted with them and understood their mannerisms and way of life. The tribes were given oral hygiene instructions as well as general hygiene instructions. The NSS volunteers were taken into the forest and they got an idea as to how different the lives of the tribes are. For the evening session the Soliga tribes did a dance performance to show us their culture and beliefs. It was truly a once in a lifetime opportunity to witness such an amazing performance. Dinner was served at 9.00 pm and the daily report was prepared and submitted. A meeting was held at 10.00 pm regarding the interaction with the villagers that day, and also discussed about the next day's proposed activities.

Day 3 – 01.02.19 - Friday

The third day commenced at 6.00 am. The daily routine was started with flag hoisting, followed by the NSS prayer and exercise. The breakfast was served at 8:30 am. The day was scheduled for a Dental Camp in the Government School, BR Hills. The NSS volunteers visited the Government School in BR Hills, where dental screening was done for all the children along with their treatment which was done in the JSS Mobile Dental Van. The children were also educated on Brushing Techniques and Hand washing in order to keep themselves disease free as well as to maintain proper oral and body hygiene. For the evening session we watched a documentary on BR Hills and the

culture and beliefs of the Soliga tribes. This documentary was called Gorukana which was made by Dr. Sudarshan, who is a social worker, working towards the benefit of the tribes. The dinner was served at 9.00 pm and the daily report was prepared and submitted. A meeting was held at 10.00 pm regarding the Dental camp organized that day, and also discussed about the next day's proposed activities.

Day 4- 02.02.19 – Saturday

With the blessings of His Holiness Jagadguru Sri Sri Shivarathreeshwara Deshikendra Mahaswamigalu and by god's grace our 15th NSS camp has begun on 25-03-2019. On the inaugural day (25-03-19) we left the college by 11:00am and reached MATTAKANDI village, MANJOOR by 2:00 p.m. At first all the volunteers cleaned the premises (Annamalai temple), given by the temple in-charge for accommodation, which is also the part of NSS program. By the time the lunch was ready, we had a fine lunch. Then the whole unit was divided into 02 units and each group was given individual responsibilities for the 05 days special camp.

The Inaugural Function has started at 4:30 pm in the Village Society hall where village people use to assemble for their evening activities.

The temple in charge and village head were present and inaugurated the Special Camp by hoisting the NSS flag, Flag hosting was followed by the NSS Song by the NSS volunteers Miss. Minu Treeza and Group. Then Dr. B.Babu, the NSS Program officer, welcomed the guests. The Guest addressed the NSS volunteers, with his inaugural speech and stressed the importance of NSS services in rural development. He said that students were having good opportunities to serve the people and society through NSS. He wished all the NSS volunteers a successful camp.

The NSS program officer Dr.B.Babu had given some tips to the NSS volunteers about the behavioral attitude in the camping period. He also wished all the Volunteers successful camping activities. The village people were very happy to receive the NSS volunteers and his and whole village support will be there for the various NSS activities in the 05 days program. Other villagers also spoke in the inaugural function in favoring NSS unit. They felt that it was an excellent opportunity for them to get use of the service of NSS for their village.

Dr. B.Babu, NSS Program officer has highlighted the programs for the coming 05 days and he requested all the village people to co-operate with NSS unit in carrying out various activities scheduled.

At the end of the function, the volunteers were given the diaries and badges in-group wise. Later at 9 pm dinner was served, the volunteers wrote the diaries and there was a discussion about the happenings of the day and the next day activities, then volunteers went for their sleep.

The day started at 6.00 am. The volunteers were asked to take their daily activities. At 7:30 am the N.S.S. flag hoisting program was conducted and the flag hoisting was done by the NSS Program officer followed by prayer. After the flag hoisting the volunteers were asked to do light exercise from 7.45 am to 8:00 am.

The program started at the areas near the Annamalai temple. One group started their work by cleaning the ground near the temple. The weeds, unwanted plants and other waste materials were removed and segregated. Meanwhile, the other group helped in the kitchen. The kitchen was entirely cleaned and mopped. One part of the group washed the vessels, while other part of the group helped in cutting and cleaning the vegetables for preparing the breakfast. The volunteers had their breakfast by 9.00am.

With this we have completed the morning session and asked all the volunteers to go for bath. After lunch and it was time for NSS volunteers to take rest. The principal, and few other staffs also joined the camp later that evening. At 05 pm after giving tea to the volunteers, the community mingling activity was carried out at a tribal village located near the Annamalai

temple. The volunteers actively took part in the event by having an interactive conversation with the tribal people and also played with the children for a while. The volunteers learnt how to approach and communicate to new persons. This was a very good activity and it helped the volunteers, in improving their communicative skills. Meanwhile, the dinner was ready and the unit had dinner by 9.00pm and retired to bed.

The day started with flag hoisting and followed by NSS song. After the flag hoisting the volunteers were done a brief exercise then breakfast was given to the volunteers. Some of the female volunteers were asked to cook for that day. The activity for the day was to clean in and around areas of the Sivan gugai, which was located a kilometer away from the main temple. The path that led to the Sivan gugai was having slopes, steep and stones. Reaching the place was bit breath taking. The volunteers cleaned and white washed the place, including the stairs.

At 2:30 the lunch was served and the students took some rest. In the evening by 6.00 pm, a small interactive session took place, with the manager and volunteer of the temple. Their talk was so inspiring and motivated the volunteers, upon their personal life and career. Later that evening few other teaching and non-teaching staffs visited the camp and interacted with the students. The volunteers arranged a campfire and spent a quality time, by sharing each other's volunteering experience.

The dinner was given at 9.00 pm and after dinner we had a brief discussion on the day's performance and tomorrow's work plan. The volunteers wrote their diaries and went to bed for long rest. The works performed by the volunteers were highly appreciated by the village people and they were thankful too.

On this day, after a sound sleep at night volunteers began their morning daily routine. At 6.45am we had flag hoisting followed by NSS Song. After the flag hoisting, as usual volunteers performed some exercises and after this the volunteers were given breakfast. After breakfast the volunteer were ready for the day's work.

The female Volunteers were allowed to clean the Mandappam, belonging to the Annamalai temple. The volunteers cleaned both the floors of the hall and mopped it entirely. The outside area of the hall was also cleaned by them. The male volunteers were involved in cleaning of the areas around the temple. The volunteers cleaned the premises by removing the plastics and other unwanted wastes and also white washed the entire premises.

With the permission from the forest officer, the volunteers visited the Penstock, which was an amazing view point, with all its mind blowing views of the hills and valleys. The views were breath taking. The volunteers rested for a while at the forest officer's house and then returned back through a tempo, which was a wonderful travelling experience.

This went on till 08:00pm then the volunteers were served the dinner and they went to sleep.
